Back in November, we celebrated the [eBay Developers Program's 8th anniversary](#) by giving away eight Magic 8 balls to members of our developer community - the developers who are behind the success of the eBay API platform. For these eight lucky developers, our Magic 8-ball here at the office says "It is certain".

Congratulations to our all of our winners, and may good fortune be granted through your giveaway prize!

1. Avi Lang of [Home and Stone](#)
2. Mathew Keister of [Seamless Development](#)
3. Jason Hodges of [The BHW Group](#)
4. Nick Parker of [uShip.com](#)
5. Adrian Sevitz of [vzaar](#)
6. Geoff Yaworski of [inetFeedback.com](#)
7. Michael Linke of [Foto-Markt](#)
8. E.J. Bantz of [Seller Machine](#)

(One of our winners, vzaar, even created a short video of themselves [putting their Magic 8 ball to good use around the office](#) we just share)

From all of us here at the eBay Developers Program, Happy New Year and a we hope you are off to a great start to your 2009!
